

Size chart for our T-shirts – with remarks from the fashion advisor at RFAOH (W - width / L - length)

Men's Classic fit

M		S/P	M/M	L/G
	W	18"	20"	22"
	L	28"	29"	30"

A straight-forward regular cut

Unisex – Euro fit

U		S/P	M/M	L/G
	W	18"	20"	22"
	L	26.62"	27.62"	28.62"

In comparison to the Men's Classic fit, the armhole is smaller and the length shorter. We recommend this "Unisex / Euro-fit" for women who prefer a "classic" cut over a "feminin" cut, but maybe one size down (small fits a medium size woman); and of course, for men who prefer snuggier T-shirts -- It is also a softer/lighter cotton than the Men's Classic fit or the Woman's Contour fit T-shirts.

Women's Contour fit

W		S/P	M/M	L/G
	W	17.25"	19.25"	21.25"
	L	25.5"	26"	27"

A women's contour fit is a typical "feminine" cut with cap sleeves shorter than the sleeves on regular T-shirts.
